

## ANNOUNCEMENT

# THE YEAR OF THE DAN

For the first time in its limited history, the Ministry will assign a chosen moniker to the forthcoming year of 8.agenesis.

This coming year will also be known as **The Year Of The Dan.**

Following the successful implementation of the first two phases of Project Chrysalis, this incoming term denotes a continued increase in focus from the Director on both themselves and on those most dearest and closest to them.

Regular Departmental procedures will continue to operate for the foreseeable, in addition to which particular themed projects will be emerging as we transition into our eighth year of operation.

More details to be announced in due course.
